

Sometimes love must be turned around!

LOVE

There it is,

Love in a nutshell,

not a sugar coated lie,

not smashed or cast into hell...

For love doesn't have to reason,

True love is precious must love ever ask why?

For Love is the feathers, of the birds of the air.

Flying high in the heavens, without worry or care.

Love extends to the heavens, love lives here in this earth.

Love can move mountains, but sometimes love hurts!

Love stands reason

love takes a chance.

Just love me

with love and

forever,

romance.

(1Corinthians 13:1) Though I speak with the tongues of men and of angels, and have not charity (love), I am become as sounding brass, or a tinkling cymbal.

(1Corinthians 13:2) And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity (love), I am nothing.

(1Corinthians 13:3) And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity (love), it profiteth me nothing.

Clearly the bible explains that though we have tongues, prophecy, understand mysteries and all knowledge, having faith, feeding the poor, and even allowing our body to be executed for God, if we do not have love, we are nothing. Some people may boast, I have grace, while others boast, look at my works, how many can boast, "look at how I loved!"

Love's Only Boundary is Eternity

Love has healed more wounds than a doctor or pill ever cured, love costs no money just a simple word.

Love mends wounds, love quenches fires, love heals destruction, and love silences all liars.

Love is the power that can make a King great, love smashes the strongholds love extinguishes hate.

A fire burns in my heart aching for you, but love only works when love involves two.

Love can be sent but it has to be received, love must be true, or no one will believe.

Without love I am nothing, I cease to exist, love is a warm hug, not a strike with the fist.

Love overcomes the tempest, it survives the storm, love crosses the void, love keeps the heart warm.

Love conquers all when battles rage, love was my defender that released me from my cage.

Love knows no boundaries, no limits no restrictions, without love our life is just fiction.

Love is the power crushing evil's grips, love can come as a kiss from the lips.

This love I don't know, I have experienced never, but in the love I have with Jesus I'll live forever.

Amen
